

Community Volunteers in Medicine Policy for Third Party Fundraisers

Community Volunteers in Medicine (CVIM) is a free medical and dental clinic serving the needs of uninsured families in Chester County, PA. We exist on 100% philanthropy and therefore are grateful to individuals, organizations and corporations who wish to organize a fundraiser to support our non-profit mission.

In order to ensure that information about CVIM that is distributed to the community is correct we ask that all third parties follow the guidelines below when raising funds on behalf of CVIM. This policy also protects the 501c3 status of CVIM as provided by the Internal Revenue Service. In addition, CVIM is legally bound to protect the privacy of its patients. Thank you for complying with our policy.

1. The concept, plans, date and location for the fundraiser must be shared with the President and CEO and VP of Development prior to beginning the project.
2. Any use of the description of CVIM services or mission, logo or name, must be approved by the VP of Development and Marketing Manager prior to printing or distribution of materials.
