

## MISSION STATEMENT

Community Volunteers in Medicine provides compassionate primary medical and dental care and health education to people who live or work in Chester County who lack access to insurance, in order to support their goals to lead productive, healthy, and hopeful lives.

## VISION STATEMENT

May we have eyes to see those who are rendered invisible and excluded, May we have open arms and hearts to reach out and include them, May our healing hands touch their lives with love, and in the process heal ourselves.

- We take time with each patient to consider the "whole" person in a comprehensive manner.
