

Volunteer Star

BETTY PARRY

**MEDICAL CHARTS
8 Years**

What is your volunteer role at CVIM?

I work in the medical chart room filing charts, checking for any charts missing for appointments, and pulling and arranging charts for patients having appointments. I'm also a member of the Volunteer Committee.

What brought you to volunteer at CVIM?

My husband, Ginny Fanfera, one of the original founders, a Board Member, and long-time volunteer at CVIM, introduced members of the Hershey's Mill Master Association to CVIM. Members were invited to tour the facility. My husband, who at that time was on the Master Association, did tour CVIM. He was so impressed with the staff, the cleanliness of the facility, and the efficiency of CVIM he told me he knew I would enjoy volunteering there.

How does volunteering at CVIM make you feel?

Volunteering makes me feel as though I have helped someone who is working hard to make a living yet still cannot afford medical or dental insurance. I also enjoy working with the staff and other volunteers who are all so congenial.

To interest her friends to volunteer at CVIM, she would say:

I have volunteered at many places, but I have never been made to feel that what I was doing was so important, thanks to the Mission of CVIM and the great staff working here.

Have you recruited any other volunteers to work at CVIM?

Yes, I just recruited my daughter!

Betty wears many hats:

As the mother of 3 children, I have volunteered as Den Mother, Girl Scout leader, and school library helper. For 15 years I was Altar Guild Chairman at my church and now volunteer as an office helper there.

When Betty is not at CVIM, she likes to:

Work crossword puzzles, play word games, read, do needlework, and play golf.
