CHRIS FOX

What is your volunteer role at CVIM?

I screen Spanish-speaking patients to determine their eligibility to receive care at CVIM. I also help out in the front office and occasionally act as an interpreter.

What brought you to volunteer at CVIM?

I was looking for an opportunity to use my Spanish as well as volunteer, and my neighbor recommended CVIM.

How does volunteering at CVIM make you feel?

Great! I love it! I feel like I'm helping out and gaining experience.

To interest your friends in volunteering at CVIM, what would you say?

CVIM is a great place to volunteer. The people are wonderful and welcoming.

Have you recruited any other volunteers to work at CVIM?

I have helped in recruiting Margaret Muller, a neighbor of mine, who volunteers in the dispensary at CVIM.

Chris wears many hats:

She's been a stay-at-home mom raising 3 kids, a CCD teacher for St. Elizabeth's religious education program, and a coordinator for the school store at her son's elementary school.

When Chris is not at CVIM, she likes to do lots of things:

Exercise, especially running and yoga; work in her vegetable garden; read; and spend time with her family.
