

Volunteer Star

GRAEME HUDSON, D.M.D.

**DENTIST
15 Years**

What duties do you perform in your volunteer role at CVIM?

Routine family dentistry—mostly I restore fractured teeth and do fillings and limited cosmetic restorations.

What brought you to volunteer at CVIM?

Karen Kenworthy. On the evening when CVIM first opened in Frazer, Karen asked me what I did on my days off. When I told her, I think she felt that my time could be of more benefit elsewhere. She felt CVIM would be a great place for me. It made such sense to me at the time, and I have been volunteering here ever since.

How does volunteering at CVIM make you feel?

I feel a great sense of accomplishment and satisfaction after treating such needy patients. It's also a lot of fun, and I really enjoy it.

What would you tell your friends to interest them in volunteering at the clinic?

Do it! There is such a profound need for care to be given to the underinsured and uninsured of Chester County. CVIM is a great facility and has an amazing staff in place. A small effort and commitment makes a huge difference in so many lives.

Have you recruited any other volunteers to work at CVIM?

Yes, 3 or 4. I believe they are still volunteering. They perform a broad spectrum of dental treatments.

What other hats have you worn?

I have worked for 30 years as a full time solo practitioner at my own practice in Exton/Lionville.

When you're not at CVIM, what are a few of the things you do for enjoyment?

Some of the many things I really enjoy are traveling, playing guitar, surfing, fishing, scuba diving and sailing. Most of all, I love spending time with my wife and our 3 children.
