What is your volunteer role at CVIM?

I dispense medications, counsel patients, and conduct topic discussions with the pharmacy students.

What brought you to volunteer at CVIM?

I completed a rotation at CVIM when I was a pharmacy student and really enjoyed my time here, so I decided to come back after completing my other rotations.

How does volunteering at CVIM make you feel?

Great! I love coming here and volunteering. The people I work with and the atmosphere at CVIM are very uplifting.

To interest your friends in volunteering at CVIM, what would you say?

I would stress what a pleasant atmosphere there is here. I would also point out that the work is for a very worthwhile cause. Patients are so grateful that it makes you feel very good to be able to help them.

What other hats have you worn?

I was also a pharmacy intern at CVS.

When Jennifer is not at CVIM, she likes to do lots of things:

I like to attend Major League Soccer games and go to the movies.
