MORGAN JAFFE

What duties do you perform in your volunteer role at CVIM?

I mainly assist with the Spanish line at the front desk, as well as return new patient calls, and sometimes I interpret as well.

What brought you to volunteer at CVIM?

I am a graduate student getting my masters in Spanish at West Chester University and CVIM counts as a 3-credit course for me each semester that goes toward my graduation.

How does volunteering at CVIM make you feel?

I LOVE IT! I love helping people and interacting with new people each day, not to mention how great my coworkers are. They make my days ten times better. I love coming into CVIM and always leave feeling loved.

What would you tell your friends to interest them in volunteering at the clinic?

I tell my friends that there is never a dull moment at CVIM—always smiles and laughter here at the clinic.

What other hats have you worn?

I volunteered to teach English to native Spanish speakers at a local church in West Chester.

When you're not at CVIM, what are a few of the things you do for enjoyment?

I run 5 to 8 miles a day, and I love to go out to eat!
