ROBERT MARVIN, M.D.

**PHYSICIAN
2 Years**

What duties do you perform in your volunteer role at CVIM?

I provide patient care.

What brought you to volunteer at CVIM?

I had a desire to help others upon retirement. I also had indirect contact from Dr. Frank Harrison, a retired cardiologist who has been a longtime and faithful volunteer, making me aware of the opportunity to serve at CVIM.

How does volunteering at CVIM make you feel?

It's been a very rewarding and mutually beneficial experience.

What would you tell your friends to interest them in volunteering at the clinic?

As a volunteer here, you will benefit at least as much as others benefit from your care.

Have you recruited any other volunteers to work at CVIM? If yes, who/how many?

Yes, I was able to recruit Dr. Robert White, a skillful retired gynecologist.

What other hats have you worn (past or current jobs, civic activities, etc.)?

I'm a member of the Lower Merion Symphony, a church vestry member, and President of the Pennsylvania Society of the War of 1812.

When you're not at CVIM, what are a few of the things you do for enjoyment?

I like to practice my cello, read, and play tennis and bridge.
