### **What duties do you perform in your volunteer role at CVIM?**

I screen people to make sure they meet the eligibility requirements to be patients at the clinic.

### **What brought you to volunteer at CVIM?**

Originally I donated to the start-up of CVIM. This is also the most important volunteer activity I can think of to participate in.

### **How does volunteering at CVIM make you feel?**

This work makes me feel useful.

### **What would you tell your friends to interest them in volunteering at the clinic?**

I would stress the importance of the work we do here.

### **What other hats have you worn?**

I was a professor of education at West Chester University and wrote the early childhood program, now a curriculum at the university. I also serve as Treasurer of APSCURF, the retirement group of the faculty union at West Chester University.

### **When you're not at CVIM, what are a few of the things you do for enjoyment?**

I enjoy reading, painting, swimming, other exercise, and going on Facebook. Of course, I love spending time with my four children and their mates, as well as my four grandchildren.
