**DISPENSARY
+5 Months**

What is your volunteer role at CVIM?

I help distribute medicines in the CVIM dispensary on Monday evenings and Friday mornings.

What brought you to volunteer at CVIM?

I was a student on rotations when I first came to CVIM. I enjoyed my rotation there so much that I knew I wanted to come back and donate my skills, knowledge, and time to help others in need.

How does volunteering at CVIM make you feel?

Volunteering makes me feel great. I love working with the staff at CVIM because they are wonderful, caring people and I feel like I am part of a family here. I greatly enjoy providing drug information to the physicians, nurses, other members and patients because I feel that I am making a positive impact in each patient's care.

To interest her friends to volunteer at CVIM, she would say:

CVIM is a wonderful place to work. The staff and other volunteers there are very sweet. The patients whom we serve are very appreciative, and it is a very rewarding experience.

Have you recruited any other volunteers to work at CVIM?

Unfortunately, I have not had the opportunity to recruit anyone yet but if I can, I certainly will!

Rosie wears many hats:

I have worked as a Floater Pharmacist for Walgreens Pharmacy in the Philadelphia area and as a Staff Pharmacist for Shady Grove Adventist Hospital in Maryland. I have also enjoyed teaching students at the Shady Grove campus of the University of Maryland.

When Rosie is not at CVIM, she likes to:

Draw, paint, make jewelry, and sing.
