

VOLUNTEERS NEEDED

For more information, please visit CVIM.ORG/VOLUNTEER or email volunteerapplicant@cvim.org

Community Volunteers in Medicine (CVIM) is a free, nonprofit health care center serving low-income, working individuals in Chester County and the surrounding area who are uninsured. To fulfill our mission of providing high-quality medical, dental, and behavioral health services, we rely on the dedication of volunteers who share our belief that everyone in our region deserves access to compassionate, high-quality health care.

Please consider joining us in providing healthcare, hope and healing as a CVIM volunteer!

**** All licensed positions require an Active-Unrestricted PA license or Active-Volunteer PA license and must have been clinically active in the last 2 years ****

Spanish speaking is a plus for all patient-facing positions!
