Supporting Healthcare, Hope, and Healing

Join us in celebrating the 25th Annual CVIM Golf Classic! Marking 25 years of generosity, partnership, and community impact. Since 2002, the Golf Classic has raised more than \$6.5 million to support CVIM patients and families across the Chester County region.

Funds raised through the Golf Classic are vital to support our mission of providing free, comprehensive healthcare to low-income, uninsured working families. CVIM services include: medical and dental care, behavioral health services, medications, health education, and social services. CVIM is powered by hundreds of volunteers and funded entirely by philanthropy.

All 2026 Sponsors Receive: Lunch buffet & open-bar, surf-and-turf dinner, golf foursomes, on-course contests, CVIM website and social media recognition, golfer gifts, and program listing.
